Microsoft

Securely run and grow your business with **Microsoft 365 Business Premium**

For Only \$31.99 Per User / PM

Microsoft 365 Business Premium is an integrated solution, bringing together the best-in-class productivity of Office 365 with advanced security and device management capabilities to help you safeguard your business data.

Get More Done

Work Better Together

Build Your Business

Safeguard Your Data

Simplify Business

**Your Microsoft 365 Business Premium subscription includes:**

Office Apps (Word, Excel, Outlook, PowerPoint and OneNote) installed across PCs, Macs, tablets and mobile devices.

**Email and Calendaring**

Use business-class email through an Outlook experience you can access from your desktop or from a web browser.

**Cyberthreat Protection**

Guard against unsafe attachments, suspicious links, and other malware

**File Storage and Sharing**

Manage your files from anywhere with 1TB storage

**Administration and deployment**

Manage new PCs and devices and more easily than ever.

**Data Protection controls**

Protect your business data on personal and company-owned devices

**Dependability and support**

Get a 99.9% financially-backed uptime guarantee and 24x7 online and phone support.

Offers and prices are available until 31/4/2021 or until stocks last. Details correct at time of printing. We reserve the right to correct errors/or misprints and to change product specifications. Stocks may vary from store to store. Delivery may be slightly longer in some country areas due to courier delays. Freight charges may apply in some country areas. Onsite Warranty only covers systems (excludes peripherals and software). 12-24 months return base warranty on notebooks, extended warranty available. 12 month warranty on batteries in notebooks and tablets. Prices may subject to change without notice. E&EO. Pictures are only for illustrative purposes. Supplied product may appear different. Actual colours may vary slightly to printed colour. Accessories are for display purposes only and are not included unless specifically nominated. All products are advertised in good faith and will be available except in circumstances beyond our control. Despite our careful planning, we apologise if selected items may sell out quickly due to unexpected high demand. Intel NUC's are barebone units only and require storage and memory to be added.
